Dear Families & Staff,

Today is the Feast of The Sacred Heart of Jesus and “Juneteenth”. How fortunate we are to close out our year on such a remarkable day. I want to take this opportunity to thank each and every one of you for your tremendous support during these most difficult and challenging times.

To our students, you should be proud of yourselves. With minimal preparation, you embraced this new way of learning and you will benefit from it. We’ve always told you that you can do anything you put your mind and heart to and you have proven this to us all. Take time this summer to rest and relax but keep your minds working! Pick up a book; read for fun; take a virtual trip and explore new places. Make the best of your situation no matter where you are.

To the teaching and office staff, you are to be commended Life definitely gave us lemons and we made lemonade! Your hard work and dedication does not go unnoticed. Your love for your students and families were evident as you made yourselves accessible at all times. I thank you for being an integral part of this community.

In closing, I pray that God will continue to bless each and every one of you! It has been my privilege to have been your Principal and look forward to seeing you all in person very soon!

Have a great summer!

Sincerely,
Mrs. Charles
Principal
